

Climate chaos
got you down?

**Let's do something
about it!**

Plan Ahead,
Share the Trip,
and Save
\$\$\$ and CO2!

A win for
our budgets,
a win for
our environment,
and a win for
our communities!

The Rural Transit Problem:

- Long Distances
- Low Population Density
- Only Occasional Trips
- No Taxis, Buses, Trains
- High Fuel Prices...

A Rural Transit *Solution*:

- Local Self-Organizing
- Simple Trip Cost Sharing
- Easy Planning
- Free Membership
- Save \$\$\$ and CO2!

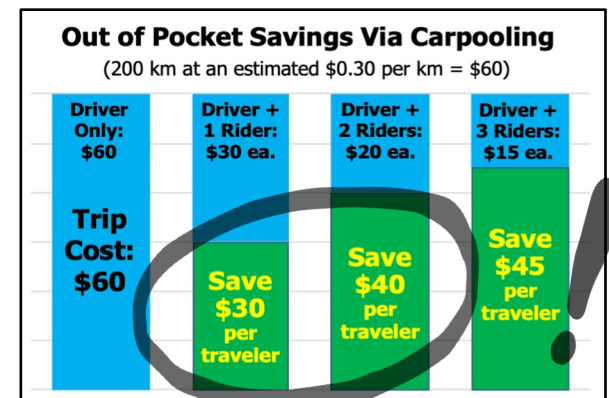

High gas prices
got you down?

**You can do
something
about it!**

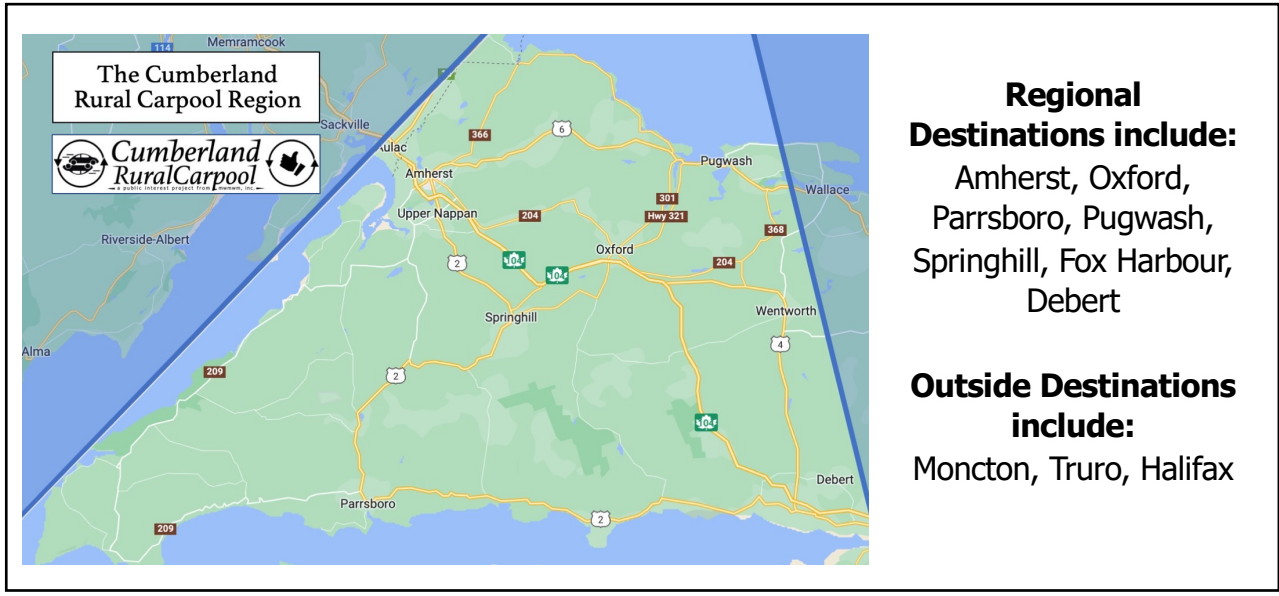

The Cumberland Region's Carpool System

What to coordinate specifics about your Trip: where to meet/park, your destinations/goals, how many passengers are expected to be needed, etc.

Only the 3 Travelers on this Trip can view this Chat.

Kiley Ford
Hi this sounds good. I'm Kiley Ford, 902-111-1234. See you then -- and glad to know nobody but us (and the admins) can see our chatter! Today 14:17 PM

Adelyn Griffin
oh cool, thanks. That sounds fine. I'm at 902-111-1234 and adelyn.griffin@demo.demo. Today 14:13 PM

Nora Rush
Hi Adelyn -- this is Rush. That's fine. Let's meet at Foodland's side-back parking lot, noonish? I'm at 902-111-1234 and nora.rush@ruralcarpool.com. Today 14:09 PM

Adelyn Griffin
I'm only going halfway -- I'll meet someone there -- but I'll pay for the seat both ways. Thanks!, This is Adelyn Griffin. Sat, June 10 14:44 PM

Rural Carpool is designed from the ground up to help folks in a small rural region self-organize carpooling and cost-sharing for occasional trips to larger towns or special events.

Rural Carpooling benefits our community by helping us all coordinate our "plannable" trips to a nearby town or city.

By planning ahead just a little, we share the trip and the trip's costs, and everybody wins!
